Preface .....	v
Abbreviations .....	xiii
Latin expressions .....	xv
Table of Cases .....	xviii
Table of Statutes .....	xxvi
<b>1 The need for a framework .....</b>	<b>1</b>
1.1 The constitutional mandate .....	1
1.2 Influence of meteorology and land use on water availability .....	3
1.3 The water problem .....	7
PART I	
FOUNDATION OF WATER LAW	
<b>2 Legal systems that form the foundation of water law .....</b>	<b>17</b>
2.1 Roman law .....	17
2.1.1 Forms of water .....	17
2.1.2 Extent of entitlements .....	20
2.1.3 Control over the use of water .....	22
2.1.4 Ownership of the banks and bed of a river .....	24
2.2 Roman-Dutch law .....	24
2.2.1 Forms of water .....	25
2.2.2 Extent of entitlements .....	27
2.2.3 Control over the use of water .....	29
2.2.4 Ownership of the banks and bed of a river .....	29
2.3 Anglo-American law .....	30
2.3.1 Forms of water .....	30
2.3.2 Private rivers .....	30
2.3.3 Public rivers .....	32
<b>3 Period before codification of water law in South Africa .....</b>	<b>33</b>
3.1 Period of Dutch administration in the Cape of Good Hope .....	33
3.2 Influence of the British occupation of the Cape of Good Hope .....	36
3.2.1 Introduction of the riparian principle .....	36
3.2.2 Forms of water .....	37
3.2.3 Extent of entitlements .....	43
3.2.4 Ownership of the banks and bed of a river .....	50
3.3 The beginning of the codification of the water law .....	50
<b>4 Control in terms of the Irrigation and Conservation of Waters Act 8 of 1912 .....</b>	<b>55</b>
4.1 Forms of water .....	55
4.2 Entitlements .....	57
4.3 Special water-related legislation .....	58
<b>5 Regulation in terms of the Water Act 54 of 1956 .....</b>	<b>61</b>
5.1 Forms of water .....	64
5.1.1 Public water .....	65
5.1.2 Private water .....	73

5.1.3	Sources of a public stream and tributaries .....	73
5.2	Status of water resources .....	76
5.3	Utilisation of water outside government water control areas .....	80
5.3.1	Public water .....	80
5.3.2	Private water .....	89
5.3.3	Recognising certain rights .....	90
5.3.4	Transfer of entitlements .....	91
5.4	Utilisation of water in areas declared government water control areas .....	93
5.4.1	Public water .....	93
5.4.1.1	Regulating the use of water in the public interest .....	94
5.4.1.2	Provision of water from government waterworks .....	100
5.4.2	Groundwater .....	102
5.4.3	Control over the construction of waterworks for utilisation of private water ..	104
5.5	Entitlements in the national states and self-governing territories .....	104
5.6	Managing the quality of the water resources .....	107
5.6.1	Policies and strategies .....	107
5.6.2	Legislative framework .....	109
5.7	Removing of water found underground in mining areas .....	115
5.8	Altering the course of a public stream .....	115
5.9	Dam safety .....	116
5.10	Organisations .....	117
5.10.1	Organisations established in terms of the Water Act 54 of 1956 .....	117
5.10.2	Regulators, services providers and interested persons .....	122
5.10.2.1	Republic of South Africa .....	123
5.10.2.2	National states and self-governing territories .....	124
<b>6</b>	<b>African customary law</b> .....	<b>126</b>
6.1	Recognition of customary law .....	126
6.2	Principles of customary law .....	127

## PART II

## FRAMEWORK FOR WATER MANAGEMENT

<b>7</b>	<b>Principles and norms governing water management</b> .....	<b>133</b>
7.1	Constitutional mandate .....	135
7.1.1	Environment that is not harmful .....	135
7.1.2	Measures to achieve water reform .....	138
7.1.3	Access to sufficient water .....	145
7.2	Fundamental legal principles governing entitlements to water .....	152
7.3	Approaches to ensure water resources are protected .....	156
7.4	Fundamental principles and objectives for the new water law .....	158
7.5	Water resource management policies .....	162
7.5.1	Integrated water resource management .....	162
7.5.2	Key principles of the White Paper on a National Water Policy for South Africa .....	164
7.5.3	Utilisation of the water resources .....	168
7.6	Provision of potable water and sanitation services policies .....	172
7.6.1	Strategic Framework for Water Services .....	172
7.6.2	White Paper on Basic Household Sanitation Policy .....	173
7.7	Constitutional requirements for implementing the principles and norms .....	174
7.7.1	Equality .....	175
7.7.2	Property .....	179
7.7.3	Administrative actions .....	181
<b>8</b>	<b>Legislative framework to implement the principles and norms</b> .....	<b>193</b>
8.1	Legislative competence relevant to water .....	193
8.2	Water resource management .....	196
8.2.1	International trends .....	196
8.2.2	Legislative framework .....	197

8.2.3	National Water Act 36 of 1998 .....	198
8.3	Provision of water services .....	204
<b>9</b>	<b>Functional framework .....</b>	<b>208</b>
<b>10</b>	<b>Organisational matters .....</b>	<b>215</b>
10.1	Organisational framework .....	215
10.1.1	Custodian of the water resources .....	220
10.1.2	Water resource developers .....	221
10.1.3	Regulators .....	222
10.1.3.1	Use of the water resources .....	222
10.1.3.2	Activities that may affect the water resources .....	223
10.1.3.3	Land uses .....	224
10.1.3.4	Frameworks for the provision of water services .....	225
10.1.4	Water services providers .....	225
10.1.5	Interested persons and bodies .....	228
10.1.6	Conflict resolvers .....	230
10.2	Obtaining and appointing employees to the organisations .....	231
10.3	The structures of local government .....	233
10.3.1	The different municipalities .....	233
10.3.2	Powers and functions of municipalities .....	234
10.3.3	Intervention in the affairs of local government .....	240
<b>11</b>	<b>Involving role-players in decision-making .....</b>	<b>242</b>
11.1	The common-law requirement to involve role-players and the need to extend it .....	243
11.2	Legal requirements to involve role-players .....	246
11.2.1	Constitution of the Republic of South Africa, 1996 .....	246
11.2.2	National Environmental Management Act 107 of 1998 .....	247
11.2.3	National Water Act 36 of 1998 .....	247
11.2.4	Water Services Act 108 of 1997 .....	251
11.3	Public participation as a manner to involve role-players .....	251
<b>12</b>	<b>Ensuring compliance with the law .....</b>	<b>257</b>
12.1	Monitoring, assessment and access to information .....	257
12.2	Entry and inspection of properties .....	262
12.3	Enforcing control measures .....	267
12.4	Mediation .....	269
12.5	Common-law remedies .....	270

PART III

MANAGEMENT, PROTECTION AND DEVELOPMENT OF WATER RESOURCES

<b>13</b>	<b>Public trusteeship .....</b>	<b>279</b>
<b>14</b>	<b>Strategies to facilitate water resource management .....</b>	<b>285</b>
14.1	National Water Resource Strategy .....	285
14.2	Catchment management strategies .....	288
14.3	Giving effect to the strategies .....	289
<b>15</b>	<b>Protection of the water resources .....</b>	<b>291</b>
15.1	Resource-directed measures .....	292
15.1.1	Legislative framework .....	292
15.1.2	A national water resources classification system .....	296
15.2	Source-directed controls .....	302
15.3	Prevention of and remedy for the effects of pollution .....	303
15.3.1	Measures to prevent and remedy the effects of pollution .....	304
15.3.2	Control of emergency incidents .....	307
<b>16</b>	<b>Regulating activities and land usage that may affect the water resources .....</b>	<b>309</b>
16.1	Settlements .....	309
16.1.1	Underlying causes of the problems .....	310

16.1.2	The solution .....	312
16.1.3	Legislative instruments .....	316
16.2	Prospecting and mining activities .....	320
16.2.1	Structure to authorise operations .....	322
16.2.2	Environmental regulation .....	333
16.2.3	Regulations in terms of the National Water Act 36 of 1998 .....	336
16.3	Landfills .....	343
16.3.1	Regulating the establishment and operation of landfills .....	343
16.3.2	Disposal of leachate derived from landfills .....	347
16.4	Agricultural activities .....	350
16.5	Activities that may have an effect on the environment .....	352
16.6	Hazardous substances .....	355
<b>17</b>	<b>Water conservation and demand management .....</b>	<b>356</b>
17.1	National Water Act 36 of 1998 .....	358
17.2	Water Services Act 108 of 1997 .....	359
<b>18</b>	<b>Infrastructure to develop water resources and provide water .....</b>	<b>362</b>
18.1	Government waterworks .....	363
18.2	Waterworks other than government waterworks .....	368
<b>19</b>	<b>Water resources of international character .....</b>	<b>369</b>
19.1	International water law .....	369
19.2	South African co-operation with neighbouring states .....	377
19.2.1	Protocols on Shared Watercourses .....	378
19.2.2	How South Africa interacts with neighbouring states .....	380
<b>PART IV</b>		
<b>UTILISATION OF THE WATER RESOURCES</b>		
<b>20</b>	<b>Regulating entitlements as water uses .....</b>	<b>383</b>
20.1	Entitlements to water and water uses .....	383
20.2	Constitutionality of regulating entitlements as water uses .....	385
20.3	What is a water use and when may it be undertaken? .....	391
20.4	Aspects applicable when a water use is undertaken .....	402
20.5	Managing the use of water .....	410
<b>21</b>	<b>The different water uses .....</b>	<b>417</b>
21.1	Definitions .....	417
21.2	The legislative requirements for the different water uses .....	426
21.2.1	Taking water from water resources .....	426
21.2.2	Storing water .....	429
21.2.3	Impeding or diverting the flow of water in watercourses .....	431
21.2.4	Engaging in stream flow reduction activities .....	433
21.2.5	Engaging in controlled activities .....	435
21.2.6	Discharging waste into water resources .....	441
21.2.7	Disposing of waste which may impact on water resources .....	442
21.2.8	Disposing of water from industrial or power-generation processes .....	443
21.2.9	Altering the bed, banks, course or characteristics of watercourses .....	444
21.2.10	Removing, discharging or disposing of water found underground .....	445
21.2.11	Using water for recreational purposes .....	446
<b>22</b>	<b>Water use permissible under Schedule 1 .....</b>	<b>448</b>
<b>23</b>	<b>Use of water in terms of general authorisations and licences .....</b>	<b>452</b>
23.1	Aspects to be considered when authorising water uses .....	453
23.2	Attaching conditions to authorised water uses .....	454
23.3	Authorisation by way of general authorisations .....	456
23.4	Authorisation by way of licences .....	464
23.4.1	Matters applicable to all licences .....	464
23.4.2	Authorisation by way of individual licences .....	472

23.4.3	Authorisation by way of compulsory licences .....	477
23.4.4	Requirements when entitlements are curtailed .....	483
<b>24</b>	<b>Continuation of water uses as existing lawful water uses</b> .....	<b>497</b>
24.1	Authority to continue with existing lawful water uses .....	497
24.2	<i>Ex lege</i> existing lawful water uses .....	499
24.3	Declared existing lawful water uses .....	507
24.4	Application of the principles .....	508
<b>25</b>	<b>Transfer of entitlements to water</b> .....	<b>517</b>
25.1	Aspects relating to the transfer of entitlements .....	517
25.2	Trading of entitlements .....	520
25.3	Legal framework to transfer entitlements .....	521
<b>26</b>	<b>Water use charges</b> .....	<b>526</b>
	Established pricing strategy .....	536
<b>27</b>	<b>Servitudes</b> .....	<b>567</b>
<b>28</b>	<b>Interference with water in its natural state</b> .....	<b>574</b>
28.1	Surface water .....	574
28.2	Groundwater .....	583
<b>29</b>	<b>Safety of dams</b> .....	<b>589</b>
29.1	Dams with a safety risk .....	589
29.2	Powers, duties and responsibilities .....	592
29.3	Tasks relating to a dam with a safety risk .....	597
<b>PART V</b>		
<b>RESOURCE MANAGEMENT ORGANISATIONS</b>		
<b>30</b>	<b>Water Tribunal</b> .....	<b>603</b>
30.1	Right of access to courts .....	603
30.2	Water Tribunal to hear appeals and applications .....	604
30.2.1	Establishment and operation of the Tribunal .....	604
30.2.2	Jurisdiction of the Tribunal .....	606
30.2.3	Procedure for lodging, hearing and deciding appeals and applications .....	608
30.2.4	Judicial review of administrative actions by the Water Tribunal .....	612
<b>31</b>	<b>Catchment management agencies' role in managing water on a regional basis</b> .....	<b>615</b>
31.1	Establishment .....	615
31.2	Governance, powers, duties and functions .....	620
31.3	Organs of catchment management agencies .....	631
31.4	Institutional planning .....	643
31.5	Monitoring and intervention .....	646
<b>32</b>	<b>Water user associations as co-operative associations of individuals</b> .....	<b>648</b>
32.1	Establishment .....	648
32.2	Constitutions of water user associations .....	654
32.3	Governance, powers, duties and functions .....	655
32.4	Members of water user associations .....	659
32.5	Management committee .....	659
32.6	Chief executive officers and staff .....	665
32.7	Institutional planning .....	667
32.8	Monitoring and intervention .....	670
	Model constitution of water user associations .....	673
<b>33</b>	<b>Advisory committees</b> .....	<b>680</b>
33.1	Establishment .....	680
33.2	Governance, powers, duties and functions .....	682
33.3	Management and planning .....	684
<b>34</b>	<b>International water management bodies</b> .....	<b>685</b>

34.1	Establishment .....	685
34.2	Governance, powers, duties and functions.....	686
34.3	Management and planning .....	688
<b>PART VI</b>		
<b>PROVISION OF POTABLE WATER AND SANITATION SERVICES</b>		
<b>35</b>	<b>Rights to and conditions for provision of water services.....</b>	<b>693</b>
35.1	Right of access to basic water services.....	693
35.2	The level of the water services to be provided.....	695
35.2.1	Compulsory national standards .....	695
35.2.2	Norms and standards for tariffs .....	698
35.2.3	Conditions for provision of water services .....	701
35.3	Measures to conserve water .....	707
35.4	Access to water services and using water for industrial use.....	709
<b>36</b>	<b>The role of water services authorities .....</b>	<b>712</b>
36.1	Responsibilities and duties of water services authorities.....	712
36.2	Intervention in the affairs of water services authorities .....	720
<b>37</b>	<b>Providing water services .....</b>	<b>723</b>
37.1	Water services providers .....	723
37.1.1	Water services committees providing water services to communities.....	736
37.1.1.1	Establishment .....	736
37.1.1.2	Governance and functions .....	737
37.1.1.3	Conditions for the provision of services .....	739
37.1.1.4	Committee members .....	740
37.1.1.5	Monitoring .....	741
37.1.2	Water boards providing water services .....	742
37.1.2.1	Establishment .....	742
37.1.2.2	Corporate governance and activities .....	744
37.1.2.3	Conditions for provision of services .....	748
37.1.2.4	Organs .....	749
37.1.2.5	Institutional planning .....	753
37.1.2.6	Monitoring and intervention.....	755
37.2	Water services intermediaries.....	756
	Index .....	759
