Transformed and Transformative Ocean Governance Conference

The aim of this conference is to provide a forum for a wide range of ocean experts and stakeholders to engage with the latest developments impacting on ocean governance from developmental, ecosystem-based and human-rights-based approaches, before starting to reflect and give direction on what transformed and transformative ocean governance means and requires.

Date

22 – 24 January 2020
Nelson Mandela University, Port Elizabeth

Programme

Day 1: Ocean Governance & Developmental Approaches
Day 2: Ecosystem-Based Approaches & Human-Rights-Based Approaches
Day 3: Transformed and Transformative Governance
Detailed programme will follow
